

Team Performance Index

The Team Performance Index is based on a points scale (1st = 280, 70th = 53) that awards points per finish position overall, with five bonus points awarded to each team leading a lap and five bonus points awarded to the team leading the most laps. A perfect score of 1.0 would result if a driver or team won all possible races and all possible bonus points.

| <i>Pos</i> | <i>Index</i> | <i>CarNo</i> | <i>Class</i> | <i>Team</i> |
|------------|--------------|--------------|--------------|-------------------------|
